## What is a Direct Payment?

## If you receive a Direct Payment

 	<p>A Direct Payment is money that is paid directly to you from your Local Authority</p>
 	<p>You can use the money to pay for your support directly from a support provider</p>

 	<p>You will have a Direct Payment Support Plan and Agreement with your Local Authority</p>
 	<p>This tells you exactly what sort of things you can spend the money on</p>
