

The **Safe Places** scheme is run by the police and council with the support of local disability groups

# Safe Places

For more information about Safe Places please go to [www.avonandsomerset.police.uk/safe\\_places](http://www.avonandsomerset.police.uk/safe_places)

Staying safe in your community

## What is the Safe Places Scheme?

Everybody should be able to go out in their own community and feel safe.

The **Safe Places** scheme can help if you ever feel scared when you are out or if someone upsets you.

There are lots of places you can go if you need help.

All the **Safe Places** have this logo in their window.

## Where can I go if I don't feel safe?

You can go anywhere that has the **Safe Places** logo in the window.

If you cannot find somewhere with the **Safe Places** logo you should call the Police on **101**

If it is an emergency you should call the Police on **999**
