

Dear .....

There is a scheme called **Safe Places**. This scheme is used by people who want to go out and want to feel safe when they do.

### What is a Safe Place?

A **Safe Place** is a place you can go to if you are lost or frightened when you are out and about in the community. This could be anything from being lost to losing a mobile phone or being harassed or bullied. There will be someone there that will help you.

Look for the **Safe Place** logo in shops and services in your area.

This is the **Safe Place** logo.

The person in the **Safe Place** will help you by making a telephone call or giving you advice.

## How do I use the Safe Place scheme?

Please write your details on the I need Help card. It would be helpful if you can write your disability so that people can understand your needs. Please carry the card with you when you go out.
